BOURGOGNE CHARDONNAY

Cuvée Edmé

VARIETAL

100% Chardonnay

VINEYARD

The "Signature" of our oenologist Dimitri Bazas, this Bourgogne Chardonnay comes from a selection of our best barrels of Chardonnay. The grapes are grown in the classic regions of Puligny, Meursault, and Rully. This harmonious blend gives it both the classic character of Chardonnay from the Côte d'Or and the floral elegance typical of the Côte Châlonnaise.

TASTING

Bright color, yellow gold with golden highlights. Strong aromatic intensity. The nose is rich and well opened, with notes of exotic fruits and white flowers, notes of caramel and vanilla on a background of toasted bread.

Fresh on the palate, an opulent body, smooth and round.

At the finish, a good aromatic persistence of the fruit, united with a good balance between the acidity and the roundness.
