VINEYARD

The village of Vosne-Romanée, in the heart of the Côte de Nuits, is composed of six fantastic Grands Crus such as “Romanée-Conti”, “La Tâche”, and “Richebourg”, as well as 12 areas classified as Premiers Crus.
The “Les Suchots” Premier Cru is surrounded on both sides by Grands Crus, sharing the same altitude and a rather large hill.
Altitudes vary between 240 and 340 m, with easterly and south-easterly exposures and clay and limestone soils.

TASTING

Beautiful garnet color. Notes of red fruits like chierries, and, at the sime time, a fresh mint nose with coffee aromas and notes of plum liquor. On the palate, the wine is amazingly rich with a dry exctact which gives to the wine its persistance and the balance at the end. Fine ageing potential.
